The Hidden Dimensions of Professionalism...

There's more to Professionalism than Charging a Fee?

Dates: **May 20-21, 2016**
September 9-10, 2016

Topics of Discussion include:

- Spirituality
- Self-Awareness
- Boundaries
- Counter Transference
- And more...

Refuge Service's Randy and Patti Mandrell are conducting a professionals' workshop where EAP professionals and their spouses will enjoy a weekend enrichment while learning about the EAGALA model in practice. This workshop explores self-awareness and the impacts it holds in improving professionalism and effectiveness in practice.

20 CEUs Provided
(4 hours – Ethics Credits)

Early Bird Rates: \$425 p/person or \$600 p/couple
(Including workshop and meals)

Maximizing the Power of the Horse

Dates: **February 12-13, 2016**
July 8-9, 2016
November 18-19, 2016

Goals:

- Learn the basics of horse psychology
- Identify powerful messages horses communicate that provide valuable therapeutic information
- Equip mental health professionals and equine professionals with the skills to identify and interpret horse cues to aid in therapy
- Gain a further understanding of the importance of the horse's role in the EAP team
- Learn to evaluate a session using "horse sense"
- Improve in incorporating the horse into the therapy team through "hands on" applications and processing

The purpose of this workshop is to provide horse professionals and mental health professionals with the skills and keen awareness of horse body language and personalities in order to maximize the use of the horse in EAP sessions. **20 CEU's Provided**

Cost: \$425 p/person Group Rate: \$385 p/person for 2 or more
(includes lunch)

****Early bird rate (4/30/15): \$365**

Intensive Internship

Dates: **Year round as scheduled with interns**
CEU Hours: 8 hours per day
(Example: 8 hours X 3 days = 24 CEU's)

Learning objectives and goals:

- Design individualized treatment plans utilizing EAP activities and philosophies based on client needs and goals for therapy
- Identify and interpret horse behavior as it is beneficial to EAP sessions
- Apply the principles of EAP in practice
- Compare EAP model practice when working with different client populations

Content Description: Each day begins with treatment team meeting discussing clients for the day and treatment planning. 6 hours of direct client contact that is tailored to intern's interest. Client populations include individuals (child and adults), family/marital, group, and corporate. Each day ends with one hour of supervision and debriefing.

Cost: \$500 p/day as individual
\$700 p/day as team

Independent Study of "Intro to EAP" Textbook

Dates: **anytime (at participants request)**
CEU hours: 20 hours for entire book -OR-
1 CEU hour per chapter

Learning objectives and goals:

- Identify and define basic terms and concepts which are needed for advanced practice and certification in EAP
- Outline the theories behind EAP
- Apply the principles of EAP to practical problems
- Analyze current research findings that support EAP
- Compare and contrast various approaches to EAP and their levels of effectiveness
- Design individualized treatment plans utilizing EAP activities and philosophies based on client needs and goals for therapy
- Identify and interpret horse behavior as it is beneficial to EAP

Content Description: Read textbook chapter and answer discussion questions at end of each chapter, submit answers for feedback and certificate of completion

Cost: \$500 for entire book (copy of textbook included)
OR \$50 per chapter (textbook purchased separately)
